INSTRUCTIONS

- 1.** Work conducted pursuant to a building permit must be visually inspected by the Town of Greene Code Enforcement Office and must conform to the New York State Uniform Fire Prevention and Building Code, the Ordinances of the Town of Greene, and all other applicable codes, rules or regulations.
- 2.** It is the owner's responsibility to contact the Code Enforcement Office at 656-4192, at least 48 hours before the owner wishes to have an inspection conducted. More than one inspection may be necessary. This is especially true for "internal work" which will eventually be covered from visual inspection by additional work. (i.e. electrical and plumbing work that will later be covered by a wall.
DO NOT PROCEED TO THE NEXT STEP OF CONSTRUCTION IF SUCH "INTERNAL WORK" HAS NOT BEEN INSPECTED. Otherwise, work may need to be removed at the owner's or contractor's expense to conduct interior inspection.
- 3.** New York law requires contractors to maintain Worker's compensation and Disability Insurance for their employees. No permit will be issued unless currently valid Worker's compensation and Disability Insurance certificates are attached to this application or are on file in the Code Office.
- 4.** If a Certificate of Occupancy is required, the structure shall not be occupied until said certificate has been applied for and issued.
- 5.** Work undertaken pursuant to this permit is conditioned upon and subject to any state and federal regulations relating to asbestos material.
- 6.** The Building Permit must be displayed so as to be visible from the street nearest to the site of the work being conducted.
- 7.** The work covered by this application may not be commenced before the issuance of a Building Permit.
- 8.** Make checks payable to **GREENE TOWN CLERK**.

I, _____ (please print), the above named applicant, hereby attest that I am the lawful owner of the property described within or am the lawful agent of said owner and affirm under penalty of perjury that all statements made by me on this application are true.
