**2020 JRC Youth Sports Sponsorship Drive**

Starting in 2020 the Joint Recreation Commission (JRC) will begin conducting its youth sports sponsorship drive on a yearly basis. While the ability to sponsor a team will be available to local businesses and families all year long, JRC will only canvas the community for sponsorships once a year.

What does your sponsorship provide for youth sports in Greene and the surrounding communities? The necessary resources that make these athletic opportunities available, such as jerseys, hats, equipment and insurance. All JRC programs are provided to participants free of charge.

The ability to support from one to three sports at a full sponsorship or one sport at a half sponsorship is available. Sponsors at the half sponsorship level and above will have their business or family name (and logo if possible) printed on the back of the team jerseys for the sports of their choice.
